**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I picked a small provider for fiber connectivity in Oakland CA. They are a bit cheaper than ATT or Comcast but their service is much, much better. I would hope that the FCC would enact policies to support more competition. How long has ATT and Comcast been the ONLY internet provider in our area, just a few miles from Silicon Valley.

I am paying close attention to the FCCs actions and will be writing my congressional reps about the same.
